Fenwick Parish Church (Church of Scotland) Registered Scottish Charity No SC010062

Dear Friends,

There is a commonly held perception that Science and Faith are incompatible. On August 21, 2011, an American software engineer named Jesse Anderson created the Million Monkey project, which featured millions of virtual simians typing away randomly. In just forty-six days, Anderson claims, the mindless authors recreated all of Shakespeare's thirty-eight major works. "This is the largest work ever randomly reproduced," he crowed.

The media trumpeted the achievement uncritically. Yet the claim is so misleading as to border on deception. In truth, what the digital monkeys produced randomly were unbroken strings of letters. It took a computer program (a digital maestro) working behind the scenes to recognize correct sequences and break them up—intelligently, not randomly - into the proper words.

That example illustrates the lesson that creativity is not a random process. Science and the Bible do agree that in order to create something from nothing, there needs to be something or someone behind the scenes directing the show. Despite claims to the contrary, atheism is a blind faith that holds onto an irrational belief that is contrary to all the evidence. To say that the bible and science are in conflict is a very unscientific thing to say.

However, while science points to a creator, we can only come to know him as he has chosen to reveal himself through scripture and ultimately through Jesus Christ. In Psalm 19 David wrote, "The heaven declares the glory of God; the skies proclaim the work of his hands..." In other words we can know something of the glory and splendour of God through his creation.

Further on in the Psalm he says: "The law of the LORD is perfect, reviving the soul. The statutes of the LORD are trustworthy, making wise the simple..." If we really want to know and understand the truth about God and about ultimate realities we can only do so through reading his word. Many people have come up with different theories and ideas, but we cannot know God other than through the revelation that he has given.

David continues, "The ordinances of the LORD are sure and altogether righteous. They are more precious than gold, than much pure gold; they are sweeter than honey, than honey from the comb. By them is your servant warned; in keeping them there is great reward."

If that's not motivation for studying the word of God and applying it to our lives, then I don't know what is!

May we find that to be true, and experience his blessing as we seek to do that in our lives!

Colin A. Strong

To You Who Bring Small Children to Church:

There you are sitting in worship or Bible study. Your child, or toddler, is restless. Perhaps they're even a little rowdy. You try to silence them, and nothing. You try to pacify them with food or toys, and nothing. Eventually, you resort to the last thing you wanted to do: you pick them up, and before a watching audience, you make the march out of the auditorium. All the while, you're feeling a little embarrassed. Maybe you're a little frustrated too. You might even think to yourself, "There's no point in coming to church. I get nothing out of it because I have to constantly care for my child."

I want you — you mothers and/or fathers — to know just how encouraging you are to so many! The little elderly woman who often feels alone beams with a smile at the sight of you wrestling with your little one. She's been there before. She knows how hard it can be, but she smiles because to hear that brings back precious memories. To see young parents and their small children brighten her day, and she may have just received bad news this week about her health, but seeing the vitality of young ones removes — if but for a moment — her fears.

The older man who always seems to be grouchy notices you too. He's always talking about how children in this day have no respect or sense of good. But, he sees you — a young family — in church, and you don't miss any gathering. Like clockwork, he can depend on the sight of you and your young family. You give him hope that maybe the church isn't doomed after all, because there are still young parents who love God enough to bring their restless children to worship.

The family who's unable to have children notice you too. They'd love to be in your shoes, but for whatever reasons, they are unable to bear children. They've thought about adopting, but they're not sure if that's what they want to do or if they will keep on trying to have children of their own. They'd love to talk to you for a little while about the joys of your children. They need you!!

Then there's everybody else. Yes, some people will honestly become frustrated by noisy children in church. They have this **WARPED** idea and notion that reverence includes absolute silence. **IT DOESN'T!!**

When parents brought their children to Jesus, the disciples rebuked them (Matt. 19.13-15), but Jesus rebuked His disciples. He said, "Let the little children come to me and do not hinder them, for to such belongs the kingdom of heaven." The term translated "children" in Matthew and Mark is *paidon*. The root of the word "pedagogue" is from this word. It defined children of either an infant state, or more particularly, it was with reference to those who were half-grown and could be either males or females.

When Luke wrote his account of this narrative, he used the word *brephos*; which means “infants.” Luke wasn’t contradicting Matthew and Mark’s account, because Luke wrote that they brought the infants “also” (Luke 18.15-17). They would have squirmed, maybe even cried. This was likely why the disciples rebuked the parents; as well as that they might have thought that the children were too young to understand the blessing Christ pronounced over them.

Bring your children to church. IF YOU DON’T HEAR CRYING, THE CHURCH IS DYING!! As hard as it might be for you as a parent, keep on doing what you’re doing!! I love you and your crying children! You are an encouragement, and you’re starting off your children’s lives as you should!

Fenwick SWI

The 100th anniversary year got off to a flying start on 13 September with a Fashion Show by Edinburgh Woollen Mill. President Maureen Rodger welcomed a capacity audience and introduced Jennifer Young of EWM who gave a running commentary on a varied selection of trousers, skirts, knitwear and scarves modelled by six Members – Margaret, Norma, Elsie, May, Catherine and Martha. After the Show, the audience had the opportunity to purchase items at a discounted rate from an extensive range which had been brought along. Tea and coffee with home-baking were served by hostesses, Greta Morton and Moira Anderson, assisted by some Committee Members. The raffle and lucky ticket number were drawn following which Vice-President Margaret Dykes proposed the vote of thanks to all who had contributed to such a successful and enjoyable evening. The October 11th meeting is a talk by West Sound's Ally Bally on Scottish Charity Air Ambulance. Competitions are a flask of cream soup for points; something beginning with 'H' for the prize and a house-plant for the Sylvia McCutcheon Rosebowl and annual subscriptions will be taken at this meeting. Maureen closed the meeting wishing all safe home.

Note for your diary: the evening whist drive will be held on Thursday 15 November

LIGHT UP FENWICK

It is hard to believe that in just over 7 months we have already raised £9825 to “Light up Fenwick” for Christmas 2018 and beyond. Our thanks this month to David Gilmour and Logan’s Larder for most generously sponsoring lamp posts.

The team are now focusing on the Switch-On Event and the Christmas Window Walk to be held on Saturday 1st December, with craft workshops already under way for window decorating and lantern making. The lantern procession will leave from the John Fulton Hall at 5pm and proceed to Jessie’s corner next to the War Memorial where we will switch on the Christmas tree and enjoy some local entertainment. Refreshments will then be available in the hall and maps of the Window Walk will be available for those wishing to walk around the village and see the decorated windows. A minibus will also be provided for anyone needing help with transport. Hopefully, the weather will be kind to us.

LITTER PICK

Fenwick Community Council are organising a litter pick and are looking for volunteers to join them on:

SATURDAY 27th OCTOBER 2018

Meet at the John Fulton Hall: **9am**

Litter picking equipment and high viz jackets will be provided.

(Please note the earlier time).

FENWICK COMMUNITY LED ACTION PLAN

Please drop in to the **JOHN FULTON HALL** on **SATURDAY 13th OCTOBER** any time between **12.30pm** and **3.00pm** for information on our new Community Led Action Plan 2019-2024 and see what has already been achieved through the current Action Plan.

If you are interested in getting involved in the process, there will be an opportunity to become part of a steering group to take the consultation forward. This is a really exciting opportunity to think outside the box about the existing village facilities and environment and what can be done to make Fenwick an even better place to live.

FENWICK COMMUNITY COUNCIL

Fenwick Community Council met on 12th September with Cllr. Gordon Jenkins and 3 members of the public in attendance.

For the period June to September the police reported the following incidents: B7038 - various road traffic offences including one incident of drunk driving; S38 - one apprehension for threatening and aggressive behaviour; vandalism to windows at Fenwick Parish Church and Meikle Mosside; one person reported for keeping air rifles without firearms certificate; S57 - one incident of entering curtilage of property and looking through windows; theft of tools and equipment from unattended yard; one incident of fraud via telephone/internet.

Over the next few months East Ayrshire Council will be removing the option to pay Council Tax by cash. This will be fully implemented by 12th November 2018. Customer Service Assistants are available to help with moving to an alternative method of payment. Anyone facing difficulty with this is urged to contact one of the local Councillors who will be happy to help.

We currently have a vacancy on the Community Council. If you would like to get involved, please speak to any of the current Community Councillors; Maryann Dempsey, Annette Dickerson, Nick Lobnitz, Lorna Loudon, Glynn Riddell, Angus Rodger, Ingrid Sampson, Jim Speirs, Billy Stewart, Robert Tedford or Irene Wilson.

Our next meeting will be held on Wednesday 10th October at the earlier time of 7pm in the John Fulton Hall (small hall).

“The Scots Night”

This will be held on Saturday 24th November in the Church Halls at 7.30pm. A meal with a Scottish flavour will be served by the Fellowship team followed by entertainment by Gordon Cree.

Tickets from John Douglas 01560 600630 or Catherine McInnes 01560700283 or any of the Fellowship Team.

The first meeting of the 2018/19 session was held on the 25th September. This was our friendship evening and we were delighted to welcome visitors from Kilmaurs, Dunlop, Stewarton and Kilmarnock and from our own Church in Fenwick.

Entertainment was provided by our own Alistair Peter and three young ladies, one of whom was Alistair's sister. This was very enjoyable and the evening finished with supper.

The October meeting is on the 30th at 7.30pm when we have a speaker from Dumfries House.

Subscriptions can be paid also the Christmas Dinner. We look forward to welcoming our members and anyone else who would like to join us

THE DROP-IN CAFÉ

The Drop-in Café met for the last time this year on September 13th. Sheena, Frances and I would like to take this opportunity to thank everyone involved: the hostesses who provided the delicious home baking and served the tea and coffee each week, everyone who helped with the clearing- and washing-up, the Kirk Session for allowing us use of the hall free of charge, but most of all to you who came along and supported us.

Thanks to your generosity we were able to donate £150 to each of our chosen Charities – Alzheimer Scotland, Fenwick Boys Brigade and Hallhouse Nursing Home.

Thanks also for the lovely chocolates!

We hope to see you again next year.

Sheena Greer, Frances Gibson and Irene Couper.

Mary Tedford would like to thank all who sent flowers and cards for the recent loss of her mother (aged 105)

Moscow SWI

Despite dreadful weather our annual Charity Coffee evening at Fenwick Church hall on Monday 10th September was bustling. Everyone enjoyed buying, and eating, the home baking, and the Guide Dogs for the Blind Christmas cards were very popular. This year's charities are Guide Dogs for the Blind and charities for stroke sufferers. Robert Blackwood, accompanied by Pamela Wallace and guide dog Jasper, has been attending the coffee evening since 2000 and thanked Moscow SWI for their continuing support. President Catherine McInnes welcomed everyone and presided over the raffle. Vice President Rosie Pensom gave the vote of thanks to those who had attended in such bad weather and to those who had worked hard making the evening a success.

Our evening whist drive will be at Fenwick Church Hall at 7.30pm on **Thursday** 4th October. If you are interested in a table please contact Myra Seton on 01560 700236.

Moscow SWI started the 2018-19 session with a packed house in our temporary home at The Portland, Galston, with a demonstration of afternoon tea by Margaret Robertson and Grace Cowan. The ladies prepared a selection of goodies with handy hints on recipes and presentation with much humour and teamwork. The products of the demonstration were admired and then tasted by the members. Margaret and Grace judged the competitions:

Vegetable tartlet 1 Christine Taylor, 2 Mary Montgomerie, 3 Anne Borthwick;

Doctor Dilemmas

When a panel of doctors were requested to vote on adding a new wing to their hospital, the Allergists voted to scratch it and the Dermatologists advised not to make any rash moves

.
The Gastroenterologists had a gut feeling about it but the Neurologists thought the Board had a lot of nerve and the Obstetricians felt they were labouring under a misconception.

The Ophthalmologists considered it short-sighted and the Pathologists yelled “over their dead bodies”. The Paediatricians said it was infantile.

The Psychiatrists though the whole idea was madness, the Radiologists could see right through it and the Surgeons decided to wash their hands of the whole idea

.
The Pharmacists thought it was a bitter pill to swallow and the Plastic surgeon said “this puts a whole new face on the matter”

The Podiatrists thought it was a step forward but the Urologists felt the scheme would not hold water.

The Anaesthetists thought the whole idea was a gas and the Cardiologists didn't have the heart to say no.

In the end the Proctologists left the decision to some eejit on the Board.
