Fenwick Parish Church (Church of Scotland) Registered Scottish Charity No SC010062

Kwaheri ya kuonana...

The date is set, the removers are booked and it is time to say goodbye. After 16 years in the village as your Parish Minister it is time for Sharon & myself to take our leave of you and step out on the next stage of our faith journey. Later this month we head for coastal Angus and the newly united charge of Montrose: South & Ferryden. It is a new phase in our ministry and there will be some new challenges ahead... it is certainly not a wee sleepy pre-retirement charge!

Our years here have been happy ones with both our boys growing up in the village and going through Fenwick Primary School and Loudoun Academy. The parting will no doubt be difficult. I have journeyed with too many people through their joys and sorrows for it not to be so. But we go with a sense of anticipation of what God has in store for us and our new charge.

Instead of goodbye we would like to lean back on our East African heritage and say "Kwaheri ya kuonana". The phrase is Swahili and literally translates "Goodbye the appointment" but it is used in the sense "goodbye until we meet again." We hope some of you will pop into Montrose if you are passing, the new address is Inchbrayock Manse, Usan, Montrose, DD10 9SD. There may also be occasion for us to come this way again.

One of the joys of moving is the clearing out of the accumulated clutter of 16 years of family life, teaching and ministry from this house. I am now on first name terms with the guys at the "tip" and the helpers in the charity shops rub their hands with glee as we wander in with yet another armful of donations! I am amazed at just how much unnecessary stuff we have accumulated over the years. It is stuffed in drawers, poked in the back of cupboards, and piled high in the garage! But moving is a good time to de-clutter and to unburden ourselves of things we no longer need (that is if we ever needed them in the first place!). It is coming up to 3 weeks to go to the packers move in and we still have stuff to get rid of!

That got me thinking though. If our homes are like that what about our lives! What do we clutter up our lives with that is unnecessary for us to carry around? What baggage are you carrying around? What is tucked away in the recesses of your mind? What weighs on your heart? What is it that burdens your soul? Guilt, broken relationships, anger, bitterness, unforgiveness, grief, hurt, are all examples of the unnecessary baggage that we all carry.

I have no doubt that much of it is real...

You have been through difficult times and you may still be going through them. These have left their mark on you... scars on your heart and in your soul. Some may be open wounds visible to those in the know while others are memories buried deep at the back of our minds. They are all, however, examples of baggage that weighs us down and yet we do not have to carry.

Jesus will lift each and every one of those burdens from you and he will set you free from that which binds you. Jesus says, "Come to me, all you who are weary and burdened, and I will give you rest." (Matthew 11:28) and "if the Son sets you free, you will be free indeed." (John 8:36).

Before you think that doesn't apply to you let me tell you about Anne (name changed to protect her identity) who I knew in a previous parish. I first met Anne on an Alpha Course. About a year earlier her son had been attacked in the street and died as a result of it. She understandably carried a deep hurt and a burden of grief. She came away on the Alpha Weekend and nothing particularly remarkable happened... she didn't receive counselling, she wasn't prayed for, she just participated in the week end. Something inwardly happened though. As she was dropped off at her home late Sunday afternoon and walked up her garden path her husband had tears in his eyes. It was the first time he has seen Anne smile since her son had died. Over that weekend she had inwardly discovered the path to her personal freedom in Jesus Christ. The peace she found allowed her to smile again. If God can do that for Anne then God can do it for you whatever extra baggage you are carrying. Believe me it is good to de-clutter.

Blessings

Geoff Redmayne

Induction

My induction to the charge of Montrose: South & Ferryden will be Thursday 20th October... at this date I don't have any more detail than that but all are welcome to attend. Keep an eye on the Church Website and Facebook page for more detail.

Changes at Kirk Session

I am reminded of the old story of waiting and waiting for a bus and eventually 2 turn up!

At the May meeting of Kirk Session I indicated my intention to retire as Clerk to the Session. I take this opportunity to thank all for the help, support and encouragement I have received during those 11 years – it truly was an honour and privilege and yes, very enjoyable, well most of the time.

During the service on 18th September 2 new Session Clerks, Christine Hainey and Kevin Wadsworth were installed and took the oath in front of the congregation. They bring many diverse gifts and will make a great team during this time of change.

I wish God's Blessing on all their work for the Session

The Drop-in Café

The Drop-in Café has had another successful year – thanks to all the hostesses who provided such delicious home baking week after week.

From the donations we received over the nine weeks, we were able to donate £250 to Muscular Dystrophy UK, £150 to Alzheimers Scotland, and about £100 to the Hall Development Fund.

Thanks to all of you who attended regularly – hope we will see you again next year!

Thanks to all the people that made my birthday a day to remember. I am still overwhelmed so thank you once again.

Fenwick Area Community Empowerment

'Aiming to create a safer community with SmartWater'

We started out as Fenwick Community Led Action Plan and earlier this year it became evident that many actions in the Action Plan were tasks undertaken by the Community Council. The actions in the Plan focused on the village, its services and its infrastructure, but for us the underlying surveys taken in 2013 highlighted more than these.

There were a significant number of surveys saying that community spirit had to be built upon. In order to build community spirit, we must first build on the fundamental needs of the individuals – two of these being 'health' and 'feeling safe'. Therefore, Fenwick Area Community Empowerment was formed to enable these.

We live in a time of significant social isolation of all age groups and where people feel unwelcome or excluded, and it would be extremely beneficial for the places we live, and the resources our government has, to combat this by embracing community spirit, and a desire for individuals, groups and businesses to work together.

As a village, we are seeing an increasing number of break-ins and thefts which the village's Facebook page is extremely good for learning about.

However, it would be much better to have a preventative measure and for this we have secured a discount for SmartWater, with the full support of our local Police Chief and officers, due to it being a DETERRENT.

LET'S MAKE FENWICK A SMARTWATER VILLAGE !

What is SmartWater?

SmartWater is a sophisticated security system that protects property, deters thieves and helps the police to convict criminals. It can be directly applied to valuables or it can be used to spray criminals committing a crime.

Their patented solutions each carry a unique forensic code registered to their owner -

- Anything marked with SmartWater can be traced – identifying the true owner and linking the criminal to the crime
- SmartWater is non-hazardous and almost invisible to the naked eye but glows bright yellow under UV light allowing the Police to detect it
- Supplied with signage - to warn thieves they risk prosecution if they steal from you
- Used by the police to catch and convict criminals and has aided hundreds of convictions, maintaining a 100% conviction rate in court
- SmartWater solutions are guaranteed to last a minimum of 5 years if applied as instructed – even when used outside!

TESTIMONIAL

“Police Scotland continues to work alongside our communities and relevant partners to tackle housebreaking and protect people's homes and belongings from acquisitive criminals. This exciting opportunity with SmartWater Technology Ltd sends a very clear message - we will not tolerate housebreaking or theft of property and remain willing to utilise any and all tactics at our disposal to bring anyone involved to justice.”

Superintendent Matt Richards, Police Scotland

Read more on SmartWater here: <http://goo.gl/B7yprt>

Working with Neighbourhood Watch Scotland, Police Scotland and SmartWater we have managed to secure a discount on home, business, car & bike products. This initiative to create a SmartWater village would include signage and torches for the police to ensure that it is as effective a deterrent as is possible.

The areas covered are Fenwick Parish area and from Stewarton and Kilmaurs to the Darvel Valley, the reason for this is that it was requested by our local Police Officers.

ARTICLE FROM <https://basc.org.uk/>

HELP FIGHT RURAL CRIME

SmartWater is incredibly versatile and as a result can be used to mark almost anything, including horse tack, quad bikes, shooting equipment, trailers, farm machinery, lawnmowers and metal infrastructure making them uniquely identifiable. The traceable liquid is simply painted on to items of value, assigning them with a forensic code that is registered to the owner, so they can be traced if stolen and subsequently recovered by the police.

SmartWater is well known to criminals, as it heightens their chances of arrest and subsequent conviction. Police forces across the UK, together with SmartWater's own Investigators, regularly visit second hand outlets to search for marked property, thereby making it increasingly difficult for thieves to sell on stolen goods.

FENWICK RURAL

President Martha Speirs welcomed a large turnout at the first meeting of Fenwick's SWI, 2016-17 session. Speaker Neil Smith gave a slide show and talk on the British Exploring Expedition to the Himalayas in 2011. The venture gives young people and students the opportunity to take part which can count towards a university course. Neil works with South Ayrshire Council as an Outdoor Education Officer and is a qualified Geologist so, he was able to explain details on various aspects of the mountains and their formation over millions of years. He spoke about the amount of preparation, organisation and training required both before and during the expedition: a most interesting and entertaining speaker.

He also judged the competitions. Winners were:

Points: A single bloom 1st - Nan Tivendale 2nd - Elizabeth Kelly 3rd - Elsie Notman

Prize: Something Blue 1st - Dorothy Baillie 2nd - Jean Speirs 3rd - Gail Galbraith

Schedules for the Federation Show on 15th October were available and members were encouraged to think about entering the individual classes. Members were also reminded to return their raffle books to Maureen Rodger no later than Friday 23rd September.

Suggestions are being sought for an evening outing and these will be discussed at the meeting on 13th October.

The vote of thanks was proposed by Maureen Rodger.

The meeting closed with a reminder that October's speaker will be Pamela Strahorn on Forensic Science.

The competitions that evening are: 3 Pancakes, Something Green, and a Bowl of Floating Flowers for the Sylvia McCutcheon Memorial Rosebowl. Please join us for another very interesting and informative evening.

Sampath would like to thank everyone for their prayers for his wife Kumari and the family. Kumari has now fully recovered from her surgery and is back teaching the pre-school children.

He has also asked to assure everyone that Fenwick Parish Church and all of the good work that we do is in their prayers also.

The Fete

Many apologies for missing the September edition of the Covenanter: the final figures for the Fete show that we made an impressive £2357! This was due to the hard work of Ken Geddes, the organising team, and the many volunteers who helped manning stalls, counting money, donating bric-a-brac, baking, serving in the tearoom and clearing up afterwards, not forgetting everyone who came along on the evening. However, we need more help with all these tasks, so be warned - we will be looking for volunteers to make sure that the Fete is at least as successful next year.

Fenwick Church Guild

The first meeting of the new session is on Tuesday 27th September. It is a friendship evening with entertainment and supper everyone is welcome. On Tuesday 25th October Trading Standards from Kilmarnock are going to be with us and we welcome all our members and anyone who would like to join us.

Subscriptions can be paid that night and also book the Christmas Dinner.

Moscow SWI held their **Annual Coffee Evening** on Monday 12th September in aid of **Guide Dogs for the Blind and the Ayrshire Hospice**. An enjoyable evening was had by all, with a raffle, a bottle stall and home baking for sale, as well as Guide Dogs for the Blind Christmas cards. Robert Blackwood was present with his guide dog Jasper and Nancy brought along 11 week old trainee-puppy Luka, much to everyone's delight. Robert's driver Pamela, puppy-walker Catherine and guide dog user Barbara Urquhart were also present. Robert thanked Moscow SWI for 47 years of fund raising - and said he would be back next year for more home baking!

Catherine McInnes thanked everyone, in rhyme, for making the evening such a success.

Can You Believe It

A young man named John received a parrot as a gift. The parrot had a bad attitude and an even worse vocabulary. Every word out of the bird's mouth was rude, obnoxious and laced with profanity. John tried and tried to change the bird's attitude by consistently saying only polite words, playing soft music and anything else he could think of to 'clean up' the bird's vocabulary. Finally, John was fed up and he yelled at the parrot. The parrot yelled back. John shook the parrot and the parrot got angrier and even ruder. John, in desperation, threw up his hand, grabbed the bird and put him in the freezer. For a few minutes the parrot squawked and kicked and screamed. Then suddenly there was total quiet. Not a peep was heard for over a minute.

Fearing that he'd hurt the parrot, John quickly opened the door to the freezer. The parrot calmly stepped out onto John's outstretched arms and said "I believe I may have offended you with my rude language and actions. I'm sincerely remorseful for my inappropriate transgressions and I fully intend to do everything I can to correct my rude and unforgivable behavior."

John was stunned at the change in the bird's attitude.

As he was about to ask the parrot what had made such a dramatic change in his behavior, the bird spoke-up, very softly, "May I ask what the turkey did?"

And you thought there were no clean jokes left!

Those were the days

I remember the cheese of my
childhood,
And the bread that we cut with a
knife,
When the children helped with the
housework,
And the men went to work not the
wife.

The cheese never needed a fridge,
And the bread was so crusty and
hot,
The children were seldom unhappy
And the wife was content with her
lot.

I remember the milk from the
bottle,
With the yummy cream on the top,
Our dinner came hot from the oven,
And not from the fridge; in the
shop.

The kids were a lot more contented,
They didn't need money for kicks,
Just a game with their mates in the
road,
And sometimes the Saturday flicks.

I remember the shop on the corner
Where a pen'orth of sweets was sold
Do you think I'm a bit too
nostalgic?
Or is it....I'm just getting old?

I remember the 'loo' was the lav,
And the boggy man came in the
night,
It wasn't the least bit funny
Going "out back" with no light.

The interesting items we perused,
From the newspapers cut into
squares,
And hung on a peg in the lav,
It took little to keep us amused.

The clothes were boiled in the
copper,
With plenty of rich foamy suds
But the ironing seemed never
ending
As Mum pressed everyone's 'duds'.

I remember the slap on my
backside,
And the taste of soap if I swore
Anorexia and diets weren't heard of
And we hadn't much choice what
we wore.

Do you think that bruised our ego?
Or our initiative was destroyed?
We ate what was put on the table
And I think life was better enjoyed.

But a huge fact not hereto
mentioned
in this mushy tale of nostalgic
rejoice is the reason we all
“enjoyed” our lot because there
was **NO CHOICE.....:-)**
